PancreasFest 2018

Early Diagnosis and Treatment of Pancreatitis, Pancreatic Diabetes and Pancreatic Cancer

Collaborative Medicine to Advance Knowledge in Pancreatic Diseases

PancreasFest 2018 is the annual pancreas research and clinical conference designed for gastroenterologists, surgeons, oncologists, researchers, and interested medical professionals. Lectures and discussion groups will mix with investigative research meetings to further the multidisciplinary understanding and treatment of pancreatic diseases. PancreasFest 2018 will feature discussions on pancreatic cancer, pancreatic diabetes, and acute pancreatitis.
